

## **PHOTOGRAPHY by PAUL DREISER ANDREWS**

Paul, a native of California, is the great-great nephew of both world famous novelist, Theodore Dreiser, and famous composer, Paul Dresser -- and he is the very last in the blood line.

His prime experience, education, & interests are photography, meteorology, geology, and astronomy.

Paul also had vocational training and experience, furthering his organizational skills and common sense, but he has no further interest in the trades.
